Category Laerdal Little Junior

Category Laerdal Resuci Junior

Retail Price \$179.00/each

Retail Price \$690.00/each

Contents
 1 Child Manikin
 1 Little Junior Face
 1 Little Junior Airway
 6 Manikin Wipes
 1 Red Cross-branded Carrying Case/Training Mat
 1 Set of Instructions

Contents
 1 Child Manikin
 1 Track Suit
 4 Junior Faces
 4 Junior Airways
 12 Manikin Wipes
 1 Plastic Carrying Case
 1 Training Mat
 1 Set of Directions

Weight 6.5 lbs.

Weight 13 lbs.

Dimensions 22" h x 8" w x 10" d

Dimensions 29" h x 10.5" w x 16.5" d

Features
 *Simulates an average 5 year old body
 *Natural obstruction of the airway
 *Head tilt/chin lift and jaw thrust
 *Realistic facial features and movable jaw
 *Realistic chest compression and rise
 *Audible confirmation of correct chest compression
 *Realistic landmarks for compression point location
 *Carrying bag opens into a training mat

Features
 *Natural obstruction of the airway
 *Head tilt/chin lift and jaw thrust
 *Realistic chest rise verifies correct ventilations
 *Realistic resistance for chest compressions
 *Anatomically correct landmarks and sternal notch
 *Life-like size and weight of a 5-year-old child
 *Bilateral carotid pulse simulation to realistically check for pulse
 *Optional SkillGuide CPR performance indicator provides immediate objective feedback on ventilation duration and volume, compression depth and hand position
 *Optional water rescue kit
**Arms and legs sold separately*

Warranty 1 year

Warranty 1 year

Additional Comments Also available in packs of 4, and dark or white skin

Additional Comments Available with our without a case
